

Paradise Park Masonic Club - Long Range Planning Committee

Membership Survey

The Paradise Park Masonic Long Range Planning Committee is interested in your opinion and comments regarding the current and future of Paradise Park. The LRPC is listed as a Standing Committee in our By Laws for the purpose of helping the PPMC Board of Directors with information and direction specific to the Corporate Assets of PPMC as highlighted in the Reserve Study in Article XIII.

As we approach our 100 year anniversary and celebration this year in 2024 we want to ask about your thoughts and opinions on a variety of issues.

You received a link as part of this email which will take you directly to our Survey Page. It is a straightforward process, just answer the questions and include your written responses if desired where indicated and hit the next button to advance through the Survey.

Please call us directly at 925-360-9038 if you have any questions or issues with taking the Survey. It should only take a few minutes to complete and please feel free to share your thoughts and opinions with us. The Survey is anonymous, we won't have a way of tracking who takes the survey.

It is the intent of Long Range Planning Committee to report on the responses of the Survey back to the Board and Membership after we complete the analysis of the responses

The result will be a powerful tool for the current and future Board of Directors on how to govern and lead us forward as a community. It will provide a roadmap to current and future Board of Directors and to the Membership on how we should prepare for the future.
