Cara Coleman Feyes arrived in the Park today. She is here to hold an open house on her father's (Myron Coleman's) house on Saturday. She was visibly upset to note that someone had **stolen** items off of Myron's deck....tools, his patio chairs and the window that hung alongside of the door on the west side of the deck. If you know anything about these missing items, please let her know Such a shame.....

Dinner tickets to be picked up in the picnic grounds from 10 to 1 p.m.

Update on the 100th Anniversaryit is percolating along well..with just a few "snags." Our Chairman, Cyndy Weigelt, who has worked her back off for the last eight months or so has come down with Covid. This happened yesterday!!! She is home recuperating. In the meantime the "troops" will have to regroup and figure out how to handle the weekend. Cyndy and Bruce were in charge of the Sunday morning breakfast. The breakfast will still be held, but please, please, be patient with the staff as many of us have not put on a breakfast before.

The weenie roast will be at 5 p.m. with the wine and cheese at 4:p.m. Come for an appetizer and if so moved,

wander over to the weenie roast...and
don't forget Bingo at 6:30.
