**PRESIDENT’S MESSAGE**

All that I needed to know that it is summer is to here is when the weatherman tells me that we just had the longest day of the year. At the same time it reminds me that we have reached the end of another fiscal year at PPMC for our elected officers. Wow, it has gone quickly.

Your board, Clora, Mark, Verdie, Bruce and I have volunteered our time and efforts to the “work” of PPMC. Little did any of us know what was in store for the year from a devastating fire to a really wet winter we have had challenges that were unforeseen when the year began. I feel and I hope that many of you also believe that we have accomplished much in this fiscal year. Certainly not everything we have set out to do or wanted to do, but many things have been accomplished because we worked together. Some of the more obvious things like the new vehicles and equipment have been long overdue but now are complete. These acquisitions will save the park money through savings in insurance, maintenance and upkeep costs.

We have had a long overdue roof installed on the office and the Social Hall is scheduled to be completed in the fall. We have also accepted a bid for the resealing of Keystone Way in the fall. This will include removing many of the onerous roots that affect that roadway. This work is due to the funds set aside in our Reserve Plan, not monies taken from our Operating Budget. We are also addressing a few (13) “blighted” residences in the Park to insure that they do not become targets for the homeless here in Santa Cruz. In addition, we have continued to address the pending law suit which is known to most of you as the “Hillside Five”. We have also accepted several new members into PPMC after carefully reviewing their applications and receiving input from you the membership.

By the 6<sup>th</sup> of July the new Board of Directors will be announced at our Annual Meeting. Whomever is elected to augment Bruce, Mark and Clora I wish them the best. There will be new challenges and they will be up to the challenge. Please support them as you have supported us.

Fraternally,  
Frank Haswell

**MONEY MATTERS**

As this may be my last bulletin “blurb”, I wanted to take a minute to thank the membership for being SO incredibly supportive over the last two years! It isn’t easy being on the Board — unfortunately, it’s impossible to please 391 people all the time, and sometimes we have to be the “bad guys” to enforce what’s right for the Corporation. I’m incredibly thankful for the emails, texts, phone calls, etc. that I’ve received over my term as your CFO from Members thanking me for protecting their money and being transparent. It’s truly been an honor working for you all! I wish the 2019 Board incumbents all the best!

Now on to the business of our money... we sit with outstanding past-due accounts totaling approximately \$19,000, which includes Members on payment plans, down from around \$170,000 in 2017. Our Reserve Funds have been, and continue to be, used to replace and/or repair Park assets to include the Social Hall floors, the Office roof/gutters, replacement of the Park trucks, dump truck, and fire brush truck, and shortly the re-sealing of Keystone Way. The Capital Assets Funds up-graded our security cameras this year, and are available for any additional capital purchases that need to be made for the benefit of the Corporation.

*Have a great summer!!

**President's Report-Frank Haswell**

President Frank thanking all for filling in for him during his absence. There was a death in his family, and it required his presence. Frank very appreciative to all who stepped up.

Frank reporting that the Board is to begin looking at "blighted properties" in PPMC that are not being taken care of. This includes vehicles in the Park that are not registered. Clora has had some health issues, and Secretary responsibilities are behind. Mark to take over to get caught up.

**Treasurer's Report– Verdie Polizzi**

CFO Verdie Polizzi reporting that there is approx. 19K owed by 9 Members. She is working on Suspension and Termination letters for these few.

Verdie also discussing the Scott property. Property is listed at \$225,500.00. There are a few items that will need to be done proper to sale. Verdie encouraging all that if they know of someone that may be interested, let them know! Specific items to be taken care of include: Removal of the concrete pad in parking area, Removal of all unpermitted electrical outside (on decking along rooflines etc.) and removal of all the extended decking around the tree and the retaining wall created under /around it. Members asking if the Park could take care of these issues prior to sale. Board to look at this in the executive session as this is still an extensive and complicated legal matter. Members questioning the Board on the length of time that the process is taking. Answer: That Board is trying to manage as best they can under legal circumstances. Main concern and goals are that the allotment be sold without further legal trouble.

CFO Verdie clarifying the new fundraising form as there are many rumors flying that are incorrect. Simple purpose of the new form is to Protect the nonprofit status of the Park. It is simply tracking monies in and monies out. This information is necessary to give to the CPA's for yearly audits. All committees to use the form, no one excluded. In the past there was a lot of questionable actions, funds went missing. This system allows for clarity. All accounts will be kept separate, all committees will have specific line items to also insure clarity.

# 2019 BOARD CANDIDATE

## VERDIE POLIZZI

696 St. Johns Ave — Section 4

**FAMILY:** My husband, Steve, and I have 3 adult children, 2 younger sons (they're usually seen riding around the Park with their "crew"), and a grandson. My mom, Diana Cook, also lives in PPMC in the Powderhouse.

**PARK MEMBER SINCE:** My grandparents purchased our original family cabin at 526 St. Ambrose in 1957, so I'm a 3<sup>rd</sup> generation Member in the Park. Originally, I joined as a Member in 1993 and raised my kids in Paradise before moving out of state. I returned to California in 2013 and in 2016 applied for, and was blessed with, Membership again.

**ASSOCIATE MEMBER:** My daughter Lyndia, a future 4th generation Member, is currently applying for Associate Membership. She and her brother both grew up in Paradise Park, and have a great appreciation for our community.

**MASONIC AFFILIATIONS:** As a 3rd generation Masonic affiliate, and child of a Master Mason and Shriner (1999 Potentate), and an Eastern Star and Amaranth mom, I joined Valley Star Chapter #141 in 1986 (shortly after turning 18).

**EDUCATION:** I graduated from Willow Glen High School in San Jose in 1986, and as a single mom raising 2 teenagers and working full-time, I also studied Nursing in 2003/2004 in Colorado.

**CAREER SUMMARY:** While not a "career", I grew up in a business-minded family with CEO and CFO parents who owned and ran a commercial printing company. At approximately 8 years old, I learned how to manage the business's general ledgers ("the books") and all aspects of bookkeeping. I was raised with business sense and a hands-on understanding of the responsibilities involved with running a corporation.

I've had an array of professions over my 35+ years of employment. In my youth, I worked in retail as a vault employee, doing heavy cash handling, preparing deposits, bookkeeping and being responsible for maintaining records regarding the monies received and distributed for the company. So at an early age, I was putting my accounting skills, attention to detail, confidentiality, and multi-tasking abilities to work.

Later, I spent many years serving our country as a Department of the Army civilian employee, initially as a Medical Support Assistant in an Emergency Room while I attended Nursing school. Later in my Federal career, I worked for the Office of the Staff Judge Advocate (JAG) and the Special Assistant US Attorney (SAUSA). I finally found my "calling" when I decided to attempt Emergency Services Dispatching, and fell in love with it! As such, I was able to put my legal and medical experience/knowledge to work while having the honor of working with law enforcement, firefighters, and ambulance crews for approximately 9 years. These positions required maintenance of confidential documentation, adherence to strict federal regulatory requirements, knowledge of legal procedure, the ability to effectively research local/state/federal law, preparation of witness questioning for the SAUSA, and the ability to manage meetings with public officials in professional hospital and legal settings.

## VERDIE POLIZZI

**OTHER RELEVANT EXPERIENCE:** As your 2017-2019 CEO/Treasurer, I've reduced the outstanding Accounts Receivable owed by the Membership by over \$130,000 (from almost \$180,000) and have made it my mission to ensure open, honest lines of communication with the Membership regarding our money and how it's being managed. I honor and follow our bylaws, and while it hasn't made everyone in our community happy, have followed-through with holding the membership responsible for doing the same. I've worked closely with the Park Bookkeeper to ensure the entire Board has a true picture of the Park's resources, accounts, and budget status. While serving, I like to think I've represented the Park in legal matters with professionalism and tact. I've worked directly with Corporate Counsel, mediators, and other attorneys to manage 5 potential/threatened and existing lawsuits and have attended every Court hearing and mediation the Board has been tasked with since joining the Board. I've also done extensive research about each of these matters to ensure I had the information needed to make good choices for the Corporation and Membership.

**REASON FOR RUNNING:** After serving the Membership for almost 2 years, I'd like to continue the forward progress being made with ongoing continuity. I learned very quickly after being elected, that it would take a while to truly get my "feet wet". After the first year, I finally felt comfortable in my position and have spent the second year fixing the issues I discovered while learning my "job". I would very much like to continue the trends of reducing the outstanding debt to the Corporation, keeping the Membership informed about the status of the Park finances, and improving our community.

**WHAT DO YOU BELIEVE TO BE THE FUNCTION OF THE BOARD?** The Board is entrusted by the Membership to make good, just, educated decisions for the Corporation. When one volunteers to become a Director, they need to be willing to live up to their promise to: do the research needed to make educated decisions; attend Committee meetings, Board meetings, Court hearings, mediation, Town Halls, etc.; be open and honest with the Membership; and understand that "Board Director" isn't just a title – it's an honor granted by our fellow Members who put their trust in us to do what's in the best interest of the Corporation.

**OTHER RELEVANT EXPERIENCES:** That about covers it. Also, on a small scale, I have been the Treasurer for my Home Owners Association in Spokane for several years.

**REASON FOR RUNNING:**

I was born June 1, 1960 in Logan, UT during finals week when both of my parents were students at Utah State University. I spent the first three months of my life in my grandparents' cabin (521 St. Ambrose) while my Dad worked nights at FMC and my Mom went to San Jose State during the day. In September of that year, my folks returned to Logan. My Dad graduated from Utah State in 1961 and my folks returned to the Bay Area. My Mom graduated from San Jose State later that year. In 1967 my folks moved us from San Jose to Portland, OR. I have been in the Park for at least a few days every year since 1960. In 2018, I spent more than eleven weeks in the Park.

I love the Park. Many of my life long best friends are now 3<sup>rd</sup> generation members. I have the time and experience to contribute something to the Park, and now as a member, I can do so.

As noted in a few spots above, my businesses have strong management teams in place, thus it is not necessary for me to spend substantial amounts of time in those businesses. Consequently, I should have no problem personally attending board meetings or other park functions.

**WHAT DO YOU BELIEVE TO BE THE FUNCTION OF THE BOARD?**

It is not a question of what I "believe" the function of the board to be. This is simply a legal question; and the answer to that question has long been settled in corporate law throughout the United States, including California. The Board of Directors of any corporation, including a non-profit corporation like PPMC, is elected by its shareholders or members to operate the corporation. The Directors, individually and collectively, have fiduciary duties (such as good faith, care, and loyalty) to act in the best interests of the corporation (PPMC).
