PRESIDENT’S MESSAGE

Dear Members of Paradise Park Masonic Club (PPMC):

This is my first message to you as a newly elected member of your Board of Directors and the current President of PPMC. With a tenure of less than a month, I only have a few short comments for you at this time.

As a preliminary note, I want to let you all know that I believe you have a serious, dedicated, and concerned group of Directors charged with managing the affairs of PPMC on behalf of you, the members. I have had the opportunity to correspond with each of them on various issues and talk with them personally to get to know them. I can assure you that each of us takes our responsibilities seriously and each of us will do the best we can to make prudent and responsible decisions for the Park.

As we move into this year of our terms as Directors, I have asked each Director to assist me in identifying a handful of projects that we, as a Board, can undertake that will help the members understand what we are doing, why we are doing it, and why now is the time to do it (or not do it, as the case may be). We have several good ideas on the table, and as we are able to refine the ideas and their implementation, we will keep you informed of what we plan to do. At this point, most of the themes have centered around tighter and cleaner financial controls, more timely dissemination of both operating and financial information, stronger long-term planning, and greater transparency with respect to Board activity and decision-making. I think these are all worthy concepts, and over time I believe we will be able to put processes and procedures in place that will help meet the various objectives we set consistent with these concepts.

Over the next month or so, I plan to spend time with the Board, our manager, our bookkeeper, and our outside accountants in order to get a strong working knowledge of our operations and financial situation; particularly our cash position. After cursory reviews of our operations and our financial and cash positions, I am concerned that PPMC is not as financially strong as it should be going into the 2019/2020 fiscal year. I will endeavor to keep you informed, as we look to find what will be required to address both the short-term and long-term financial challenges facing our Park.

Thanks to all of you who have participated in this process and for putting your faith in us to work towards bettering Paradise Park.

Please, enjoy your summer and I look forward to seeing you around the Park.

Fraternally,
Joe Mayo
President

Consideration of Late Additions to the Agenda: Temple Lane Sale

Reports from Executive Meeting – Clora Johnston—Executive minutes read & approved- May 25th, 2019. Motion to approve-Bruce, Second- Clora. Passed 4-0.

Copies of Open minutes from May 25th, 2019 were made available to the Membership to read. Motion made by Bruce to accept Draft minutes with the corrected wording of Tarp issue. Second by Clora. Passed 4-0.

Manager's Report: Steve Polizzi

Manager Steve Reporting that he and the crew had finished picking up all Green Waste from the sites. Steve reporting that 14 dump runs were made at a total cost of \$2062.30. This amount also includes total staff time, gas etc. Happy to report this is a \$4K savings due to the use of the new dump trailer and Park vehicles. Steve informing all that, although the Park is doing better at green waste, some continue to put large items in green waste sites, Entire trees, needing to be cut down and items way too big for ease in removal. Unfortunately, other Member also tried to dump non green waste items (furniture, fencing, posts etc.) as well, causing the crew to have to deal with.

Steve reporting that due to Members throwing trash on the Office porch (Candy wrappers, mail, junk mail etc.) he closed off the old phone booth in order to combat this behavior.

The New Fire Gator has now arrived and is in working order. Steve telling all that it is out in front of the Social Hall for all to view. Fire Gator can go over the covered bridge in times of an emergency. Also able to hold 100 gallons of water and can hook up to hydrants.

Steve Reporting that he spent time at the DMV working on title transfers and the like. All new vehicles have been registered; however, the old dump truck and the old fire truck have never been registered to PPMC. This is a big problem for Steve to try and figure out, as it goes back many years. He will continue to research and hopefully locate the necessary paperwork to take care of this issue.

President's Report-Frank Haswell

President Frank Haswell following up to Steve's report by reminding all that issues such as these (vehicles) require time and energy taken away from the Manager's duties. Hoping once all are taken care of, it won't be repeated in the future by other Boards.

Frank reporting that letters have been sent out to Members regarding behaviors and fines. A hard responsibility but a responsibility, nonetheless.

Frank reminding all that the Annual Meeting is set for Saturday July 6th at 1:00 p.m. in the Social Hall. There will not be a regular Open meeting in the month of July, only an Executive meeting will be held.

Treasurer's Report– Verdie Polizzi

CFO Verdie Polizzi reporting that there is 19K still owed to the Park. She has contacted a Process Server to \serve the Termination letters to those Members behind. No Financial reports this month as the Park bookkeeper has been out of town attending out of state Eastern Star activities. Reports to be updated at the next Open meeting.

Verdie reporting that Board is looking into including financial reports in the Monthly bulletin, stay tuned.

Committee Reports

Accommodation & Accessibility—Committee is still waiting on getting permits from the city for the repair and replacement of the septic system. The actual work will be delayed until after the busy summer months.

APPROVED Board of Directors OPEN Session Minutes Con't

Committee Reports Con't

ERT — Chairman Dick Lovelace reporting that the ERT Committee will be having monthly meetings from now on. There will be, in the future, extensive training. Even though many have already been trained, not enough have volunteered to handle "Go-Bags". There is still a need for more. There will be 2 more trainings this year through the city of Santa Cruz for CERT trainings. These will, most likely, be the last ones of the year.

Manager reporting on the multiple groups, ERT, Fire, CERT, etc. the new system will be a series of teams, each having a team leader. Chain of Command will be each team leader will report to Dick Lovelace who will then report to the Park Manager who will report to the Board. Steve emphasizing that this is a new system that they are building. It is still in the planning stages and anyone interested in helping is encouraged to talk to Steve. Member Bob Morgan asking specifically about the new Fire Gator and its capabilities. Steve reminding all that this has been covered extensively in prior Board meetings, but the basics are that the Gator: Can Cross the bridge, Will be an Initial response vehicle, Can Carry up to 100 gallons of water, Able to go up Shrine way and King Solomon, Able to hook up to fire hydrants, and is a fully capable fire apparatus.

Recreation - No meeting was held this month. Recreation reminders:

- July 6th- park wide Yard Sale 9:00- 12:00
- July 6th- Dance in the Picnic Grounds- 7:00-10:00
- July 7th All Wheels Parade
- July 7th Annual Picnic

Tree – No Report —2 Tree Requests reviewed by the Board: 272 Keystone Way—Motion to Approve- Bruce, Second by Verdie. Passed 4-0. 537 Council—Motion to Approve- Bruce, Second by Clara. Passed 4-0

Unfinished Business-None

New Business— Sale of 239 Temple Lane—CFO Verdie explaining that 3 contingencies have been put on the property to be taken care of prior to sale. Board discussion regarding motivation to sell. Verdie encouraging Park to take care of the list of the 3 contingencies that were made specific to the 2014 lawsuit. Costs cannot be recouped by the Park but would encourage a quicker sale. Board to get estimates and set a dollar amount limit. Motion made by Verdie to spend no more than \$15k to complete work, Second by Bruce. Passed 4-0.

Election and Ballot Committee will be headed by Dick Lovelace. Dick will reach out to the Committee Members from last year and prepare for the process.

OPEN FORUM

Bob Morgan informing all that he believes there is an error on this year's ballot. Under the Rules and Procedures #1 having to do with Fences there is no option to vote NO. Bob encouraging Board to remove from Ballot. After extensive discussion among those present, President Frank agreeing that there is no choice but to remove it from the ballot.

Member John Mancini asking about the front envelopes of the ballots. No stickers were applied with the Member's Park Address. Instead the envelope was printed with space to write in their name and Park address as well as the Allotment number (Street address number in PPMC). John upset that this was not listed on the instructions and questions the validity of the entire ballot because of this.

Office to clarify at the actual ballot box, to make sure this takes place. Steve will also send out an eblast clarifying the process. Extensive discussion on the on the question of whether the lack of an outer address label, changes anything. Question asked if this rule is an actual rule and procedure or if it is in the bylaws. Answer: No.

Member John Mancini also upset about the fact that the strike through, bold and underline were not used as they have been in the past about the appearance of the ballot. Much discussion with some members in agreement with Mr. Mancini and others voicing that they read the ballot easily and understood without the use of these items. Manager Steve reminding all that these issues with the Ballot are specific to the Board. Feels as though the Office/Annie is being attacked unfairly. Member Leigh Wunce stating that she recognizes that it is a Board issue, but she questions Annie because she is in the office.
