President’s Message

2020 has been a year like no other and this holiday season won’t be normal either. Many people are making the safe decision not to have large family gatherings. The Pandemic and the local fires that occurred this past year will change the way many of us celebrate the holidays. Although things have changed, we still have a great deal to be thankful for; our community, friends, family and our health just to name a few.

Have a fantastic Holiday and Stay Healthy!

Fraternally,
Kurt Likins
President PPMC 2020

“We make a living by what we get,
but we make a life by what we give.”
SIR WINSTON CHURCHILL

TRANSPARENCY CORNER

Welcome to Transparency Corner!! In light of the ongoing email, social media and verbal discussions floating around Paradise Park, most of which are not based in fact, your Board believes the best way to improve transparency is to provide that in the bulletin each month.

1. The 2020/2021 Board of Directors, as a whole, welcomes questions from the membership; however, the topics being spread currently have NOT been asked of the Board, although individual Directors have been contacted directly in attempts to circumvent the Board process. The Board is currently looking into creating one shared email by the five Directors so all members of the Board will be on the same page with issues as they arise.

2. With regards to the November 17, 2020 email from a Member to a small percentage number of Members that was eventually forwarded to the majority of the membership, the following are the Board's responses:

a) None of the Directors has ANY interest in bankrupting the Corporation or "taking it" from anyone. The Board works diligently to PREVENT any destruction, or harm, to Paradise Park. PPMC Bylaw Article IX Dissolution, Section 1 Procedure for Dissolution states: *"Any decision to voluntarily dissolve PPMC, shall be determined by a vote of the Members in accordance with the Corporations Code. Upon dissolution, either voluntary or involuntary, of PPMC and, after the payment of all of the corporate debts, its properties shall be sold and converted into money which shall be distributed among the Members as follows: all moneys received from the sale of all of the properties of the Corporation, of whatsoever kind or wherever situated, shall be distributed ratable among the Members who are registered owners and holders of record on the books of the Corporation of a Membership Certificate in the Corporation at the date of the dissolution."* This is the 4th year in a row that the Board hasn't had to borrow money from the Reserve Funds to keep the operations running. Yes, the budget is incredibly tight this year and the membership needs to consider ways to increase funding, but NO the Corporation is NOT anywhere near bankrupt!

b) Going to the Attorney General will only harm our community. All 391 Members of PPMC. Why the writer of the email feels they're above the repercussions is unknown by the Board.

c) This is NOT an "us vs. them" all out war as described in the writer's email. It's possible that these beliefs are coming from Members who are being held accountable for their actions, whether it's failing to meet financial obligation, repeated violations of R&Ps/Bylaws, etc.

3. As to fines imposed on Members, the Board does NOT do so without careful consideration.

4. Please see the next page for clarification on the results of the recall petitions.

5. The Board of Directors is solely trying to run the Corporation of Paradise Park Masonic Club, Inc. in line with our governing documents. Each Director has vowed to do so as fairly and consistently, in the best interest of the membership as a whole.

The Board wants to thank you for your support during these contentious times.

TRANSPARENCY CORNER CON'T.

On Oct 22, 2020, at 4:40 PM, Home <wchavoor@pacbell.net> wrote:

The Election Committee met today with Annie to finalize the counts for the two recall petitions put before the Board of Directors. According to the procedure set forth by the Board of Directors, the petitions were first reviewed by the Office Secretary (Annie) and suspended members, invalid members (associate or alternate associate), and members who formally requested to be removed from the petition(s) (up to the time of her review), were marked off of the petitions.

98 valid signatures are required to recall a Board member. Below are the results.

Petition to Recall Director Verdie Polizzi

Total Signatures Submitted:	101
Signatures Disqualified or Requested to be Removed:	11
Net Valid Signatures:	90

Since 98 valid signatures are required, the number of valid signatures would never rise above 90 (they would only be reduced if the member asked to be removed), therefore the Election Committee did not need to confirm the validity of the remaining signatures.

Petition to Recall Director Joe Mayo

Total Signatures Submitted:	114
Signatures Disqualified or Requested to be Removed:	12
Signatures that could not be Validated:	20
Net Valid Signatures:	82

Signatures that could not be validated were either because the member's current contact information was either invalid or not available or the member had been contacted but was not available at the time of the call (multiple messages were left and not returned).

If the Board will accept the signatures that could not be validated over the phone as valid, then the total signatures for Director Joe Mayo would be 102 and would exceed the required number of 98 signatures to qualify as a valid recall request.

The petitions and all our working documents are available for Board review and they are currently stored in the office safe.

I'd like to thank my Election Committee members for their help in processing these petitions (Alcinda Walters, Carol Taylor and Denise Peterson) and I'd also like to thank Annie Levy and Steve Polizzi for their assistance as well.

Respectfully,
Winston Chavoor
Election Committee Chairman
